

Flipboard sur iPad

The image displays the Flipboard app interface on an iPad. The main content area features a grid of tiles: 'À la une' (top left), 'Facebook' (top right), 'Actualités' (middle left), 'Technologie' (middle center), 'Twitter' (middle right), 'Inside Flipboard' (bottom left), and 'Fotopedia Magazine' (bottom right). A search icon in the top right corner is circled in orange, with an arrow pointing to a 'Contenu' (Content) menu. This menu lists various categories like 'Social', 'This Week', 'News', 'Business', etc., and shows 'Vos favoris Flipboard' (Your Flipboard favorites) with a list of sources including Facebook, Actualités, Technologie, Twitter, Film, Music, and The Guardian. A settings gear icon in the bottom right of the main content area is also circled in orange, with an arrow pointing to a 'Réglages' (Settings) panel on the left. The settings panel includes options for 'À propos de', 'Aide', 'Lire plus tard', 'Taille du texte' (set to Normal), 'Afficher stats' (toggled on), and 'Auteur bloqué'. The bottom of the screen shows the footer: 'Anaitis - Centre de formation - Quai du Roi Albert, 16A - 4020 Liège • www.anaitis.be'.
